CARD ETIQUETTE

The significance of a card is always considered by well bred men and women, and its fitness to the occasion is an expression of its owner's individuality; in fact, the card is the beginning and the end of etiquette—the introduction and the farewell.

A written name should never be used unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the eldest unmarried daughter she is appended as Miss Smith, otherwise her full name is given with the prefix of Miss.

When two daughters enter society together it is proper for them to be mentioned upon their mother's card together, thus:

MRS. JAMES SMITH.

THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your city can be sent either by mail or messenger as preferred.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family should enclose her visitor's card with her own, in the same envelope.

When cards of introduction are given, the name of the bearer should be written above that of the giver, prefixed by the word "Introducing," and the card placed in an envelope addressed to the person to whom the introduction is made.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an "At Home" card.

A visiting card should always be left when attending an "At Home."

Any invitation requesting your presence requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS.

Cards to a church or home wedding, followed by a reception, need no written answer if the recipient proposes to attend, unless bearing the letters R. S. V. P.

When attendance at a church wedding is impossible, cards must be sent the day of the marriage directed to those from whom the invitation comes.

If present at the church it is polite to send a card or cards to those who invite-

CARD ETIQUETTE IN WASHINGTON

Questions are asked concerning the requirements that the official element demands in Washington, and some knowledge of the etiquette of that city is necessary.

The President has absolute precedence. He receives visits—returns none.

He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher and are announced. You are then introduced to the President and members of the Presidential family.

It is proper to leave your card before your departure from the "White House."

Any invitation extended by the President is equivalent to a command.

There was a question as to who should pay the first visit, the Cabinet officer or the Senator.

Many yield this point to the Senate. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

The wives of the United States Senators will hereafter call upon the wives of Foreign Ambassadors, while the wives of Foreign Ministers will make the first call upon the wives of Senators.

In all society, official or otherwise, the clergy take a signal position, and should always be accorded the place of honor, when present.

CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

WHEN TO DROP THE JR.

When a father dies leaving a son of the same name the son should omit the Jr. from his visiting card. To be correct his wife should do likewise, but as confusion sometimes arises because of the mother and wife having the same name the wife often prefers to keep the Jr.

INFANT'S CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgment is usual. If not possible a card is sent, with "Congratulations" written upon the upper left hand corner.

WEDDING ANNIVERSARIES.

WOODEN-Five years married.

LINEN-Twenty years married.

TIN—Ten years married.

SILVER—Twenty-five years married.

CRYSTAL—Fifteen years married.

GOLDEN—Fifty years married.

DIAMOND—Seventy-five years married.

Each week there is printed in the Boston Budget and Bearon much of interest and value to the musician. It is the purpose of the publisher to further the interests of all those artists who patronize the BOSTON CHURCH AND MUSICAL DIRECTORY. To this end all items of news, advance dates, important engagements sent into the BUDGET BEACON office, 58-62 Summer Street (elevator at number fifty-eight), by any musician of this city will be inserted in that paper, gladly and without expense.

THEODORE METCALF CO.

1837— T. METCALF 1861—T. METCALF & Co. 1891—THEODORE METCALF Co.

Three-quarters of a Century the Pharmacy of Boston's best physicians.

In 1839 Dr. Oliver Wendell Holmes established his first office in a small room near our store. This store was then the pharmacy of all the leading families and physicians of the city To this store came such eminent practitioners as Jackson, Bigelow, Warren and their confreres. There is scarcely an old Boston family of distinction whose name does not appear on our books of these earlier years.

To day we are supplying the needs of their grand-children and great-grand-children. To day this store is still the pharmacy of the leading medical men of the city. If your name does not appear on our ledgers we solicit the privilege of opening an account with you.

We are the original firm that introduced into New England the ORIENTAL PROCESS. When properly carrried out it can not be improved upon. The aim of our firm has always been to excel in workmanship. You will make no mistake in entrusting your goods to our care.

RUGS MADE TO ORDER. We call the special attention of Architects, Interior Decorators, Clubs, and of those who are

planning to build, to our manufacturing department.

We take orders from designs and colors submitted by us or from those submitted by the customer. Orders are taken for a single rug or for sets, in measurements varying in size from the smallest door mat to rugs as large as fifty feet long and thirty-five feet wide. The work of this department is executed in Turkey.

The colors in the rugs made by us are fast and pure—not "treated" or "doctored" as are so many of those in the market nowadays. We use only vegetable dyes, and guarantee harmonious blending of distinctly oriental colors and accuracy in the ex-

ecution of designs.

The time required for the filling of orders will depend on the sizes of the rugs. A rug containing about two hundred square feet can be delivered in the course of four months. No longer time will be necessary, however, when an order consists of a number of rugs, as they will be woven on separate looms.

The prices differ, not according to material and color—as the same quality of wool and dye is used in all our rugs—but according to the simplicity or intricacy of design, also according to the number of knots per square inch, which determines the degree of

fineness.

THE MOUNTAIN SPRING

ON YOUR TABLE

Nobscot Mountain Spring Water flows from the granite heart of Nobscot Mountain. It is bottled at the Spring and delivered in glass carboys as pure as it comes from the depths of the mountain. It is always a safe and delightful drink. When you have it on your table or in your butler's pantry you need never fear the contamination of the Public Water supply.

A PERFECTION COOLER furnishes the best way of keeping a supply ever ready in your pantry. We deliver the water to any part of New England. There is always danger from the Town or City supply. There is always safety when you drink from the Nobscot Mountain Spring. Let us put it on your table.

Address us at once for full particulars

SPECIAL NOTICE

The fact that an alarm-box is located near their residence should be known to all persons: also the simple manner of giving an alarm in case of fire. The Fire Commissioner recommends to all persons who may see this notice that they make the necessary inquiries to enable them in case of need to give an alarm or to direct others to do so. Time saved in this way may sometimes prevent a conflagration.

In case of fire follow these

DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box directs how to give an alarm.

Open the box-pull the hook all the way down once and let go.

Listen for the working of the machinery in box. If you do not hear it pull again. If then you hear no sound, go to the next nearest box. Repeat the same there, but do not touch any other box if the nearest one gives the alarm.

After giving the alarm remain a while, if possible, by the box, so as to direct the fire men to the fire.

SECOND ALARM—No person will give alarms for the same fire (after the first alarm has been given) without an order from the Chief, or the officer in command.

CAUTION.

- 1. Never open the box or touch the hook except in case of fire.
- 2. Never give an alarm for a fire seen at a distance.
- 3. Be REASONABLY SURE there is a fire before giving an alarm.
- 4. Be sure your box is closed before leaving it.

Regulations Concerning Fire Alarms and Signals.

Alarms will be designated as the first, second, third, fourth, fifth and sixth. The sixth will be the general alarm.

ALARM SIGNALS. FIRST ALARM—Three rounds of the box number struck on all "tappers" throughout the department, and repeated two rounds on gongs and bells as follows: From boxes north of Essex, Boylston and Arlington streets on the gongs of the City Proper and the gongs and bells of the Charlestown and East Boston districts; from boxes south of said streets on the gongs of the City Proper, South Boston and Roxbury, and the gongs and bells of the Dorchester, West Roxbury and Brighton districts.

All alarms following the first will be struck but one round of the box number and preceding signal, on all "tappers," gongs and bells throughout the department, as follows

SECOND ALARM—Two blows, followed by the box number.

THIRD ALARM—Three blows, followed by the box number.

FOURTH ALARM - Four blows, followed by the box number.

FIFTH ALARM—Five blows, followed by the box number.

SIXTH ALARM—Six blows, followed by the box number.

COMBINATION ALARM—In the event of a fire of such magnitude as to make it desirable to give a THIRD, FOURTH OF FIFTH alarm immediately after the FIRST, intervening alarms may be omitted, and the department will be governed by the same rules, relative to their response, as if the alarms had been given in numerical succession.

A COMBINATION alarm will be ordered only by the officer commanding at a fire.

"ALL-OUT" SIGNAL—The signal 22—22, followed by one round of a box number, will be struck on all "tappers"; it will be ordered only by the officer commanding at a fire, and when received signifies that the companies engaged at the fire from which the signal has been received have been relieved and are prepared to answer their own assignments.

Drill School Signal—Two blows, received three times, thus 2—2—2, on "tappers," denotes "No Drill School"; when received at 8.30 a.m., indicates no morning session, and at 11.30 a. m., no afternoon session. This signal will be ordered through the commanding officer of the department.

Public School Signals—One blow, three times, thus 1—1—1, on the bells and gongs in all districts of the city, and by sounding the fire-boat whistle, denotes no session of the public schools for the day

To be struck at 7.45 A.M.

Police Call for Fire Boat—Two long and two short blasts of steam whistle, to be given by police boat and continued until answered.

U. S. WEATHER BUREAU

Explanation of Cautionary and Storm Signals.

A RED FLAG WITH A BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennant displayed with the flags indicates the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light will indicate easterly winds, and a white light below a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests and are displayed at the principal ports of the Great Lakes and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154 P. O. Building; open to public from 8 A. M. to 5 P. M.; visitors cordially invited. Telephone, Nos. 491 Main and 1788 Back Bay; service 9 A.M. to 5 P.M. and 9 to 9.30 P.M.

J. W. Smith, District Forecaster.
In charge Boston Station.

HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts) the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used). This signal will be displayed at all Weather Bureau offices and wind-signal display stations on the Atlantic and Gulf coasts and the Great Lakes, and also at numerous other points at sea and lake ports and along the coasts mentioned.

WILLIS L. MOORE
Chief of U. S. Weather Bureau
